

# ARCHIVES OF DISEASE IN CHILDHOOD

*The Journal of the British Paediatric Association*

## Annotations

BCG vaccination

J F Price 485

Diet for diabetic children: a change in emphasis

P H W Rayner 487

## Original articles

Low-dose radioisotope scanning and quantitative analysis in the diagnosis of congenital hypothyroidism

M K O'Connor, P J Freyne, and M J Cullen 490

Causes and management of bronchiolitis with chronic obstructive features

I G C Hodges, A D Milner, R C Groggins, and G M Stokes 495

Breast milk sodium

W W K Koo and J M Gupta 500

Fat as an energy supplement for preterm infants

O J Hanmer, W T Houlby, H Thom, I S Ross, D J Lloyd, and G Russell 503

A modified cows' milk formula suitable for low birthweight infants

T J French, M Colbeck, D Burman, B D Speidel, and R A Hendey 507

Early discharge of low birthweight infants

F Lefebvre, A Veilleux, and H Bard 511

Cardiac pacing in children

D E Ward, M Signy, P Oldershaw, S Jones, and E A Shinebourne 514

Intraleural permanent pacemakers in infancy

M Hickey, D Duff, and M C Neligan 521

Immune dysfunction in the presence of residual splenic tissue

R C Cohen and A Ferrante 523

Antenatal infections with *Candida* species

R K Whyte, Z Hussain, and D deSa 528

Antenatal dexamethasone and subsequent lung growth

Y C Wong, C S Beardsmore, and M Silverman 536

Cefuroxime in bacterial meningitis

J Pfenninger, U B Schaad, J Lüttschg, A Nussbaumer, and U Zellweger 539

Long-term outcome of primary nephrotic syndrome

O Koskimies, J Vilkska, J Rapola, and N Hallman 544

## Short reports

Use of restraint systems by preschool children in cars

D C Geddis and I C Appleton 549

Prolonged foreign body impaction in the oesophagus

L Spitz and J Hirsig 551

Serum pancreatic lipase as a screening test for cystic fibrosis

K Adriaenssens and L Van Riel 553

Effect of posture on gastro-oesophageal reflux in the newborn

I Blumenthal and G T Lealman 555

Acinetobacter meningitis: acquired infection in a neonatal intensive care unit

M E I Morgan and C A Hart 557

Prevalence of infant colic

D W Hide and B M Guyer 559
