

# ARCHIVES OF DISEASE IN CHILDHOOD

*The Journal of the British Paediatric Association*

- |                                       |  |
|---------------------------------------|--|
| <b>Annotations</b>                    | 157 Antibiotic choices for meningitis beyond the neonatal period <i>N J Klein, R S Heyderman, M Levin</i>  |
|                                       | 159 Fiberoptic bronchoscopy in infants <i>J de Blic, P Scheinmann</i>  |
| <b>Original articles</b>              | 162 Fourteen cases of imposed upper airway obstruction <i>M P Samuels, W McClaughlin, R R Jacobson, et al</i>  |
|                                       | 171 Combined effect of infection and heavy wrapping on the risk of sudden unexpected infant death <i>Ruth Gilbert, Peter Rudd, P Jeremy Berry, et al</i>                   |
|                                       | 178 A clinical study of Noonan syndrome <i>M Sharland, M Burch, W M McKenna, et al</i>   |
|                                       | 184 Desmopressin for bed wetting: length of treatment, vasopressin secretion, and response <i>J H C Evans, S R Meadow</i>  |
|                                       | 189 Twin peaks, extramarital conceptions, and virgin births: is there a connection? <i>M Murphy, V Seagroatt</i>   |
|                                       | 192 Controlled study of <i>Pseudomonas cepacia</i> and <i>Pseudomonas maltophilia</i> in cystic fibrosis <i>G Gladman, P J Connor, R F Williams, et al</i>                 |
|                                       | 196 Prospective evaluation of the Paediatric Risk of Mortality (PRISM) score <i>Ganapathy Balakrishnan, Tom Aitchison, David Hallworth, et al</i>                          |
|                                       | 201 Surgical treatment of hyperinsulinaemic hypoglycaemia <i>L Spitz, R K Bhargava, D B Grant, et al</i>   |
|                                       | 206 Consultation time, workload, and problems for audit in outpatient clinics <i>James W Partridge</i>   |
|                                       | 211 Clinical review of idiopathic versus hepatitis B surface antigen related forms of membranous glomerulonephritis <i>Seza Ozen, Umit Saatci, Aysin Bakkaloglu, et al</i> |
|                                       | 214 Inhaled frusemide against cold air induced bronchoconstriction in asthmatic children <i>J Seidenberg, J Dehning, H von der Hardt</i>                                   |
|                                       | 218 Persistent gastrointestinal symptoms after correction of malrotation <i>S P Devane, R Coombes, V V Smith, et al</i>  |
|                                       | 222 Rehabilitation and outcome after severe head injury <i>R Scott-Jupp, N Marlow, N Seddon, et al</i>   |
|                                       | 227 Post-traumatic tremor in head injured children <i>S L J Johnson, D M B Hall</i>  |
|                                       | 229 Energy intake and basal metabolic rate during maintenance chemotherapy <i>S A Bond, A M Han, S A Wootton, et al</i>  |
|                                       | 233 Fever associated with teething <i>L Jaber, I J Cohen, A Mor</i>  |
|                                       | 234 Growth patterns after surgery for virilising adrenocortical adenoma <i>A T Salt, M O Savage, D B Grant</i>   |
| <b>Types of psychiatric treatment</b> | 237 Types of psychiatric treatment: overview <i>Philip J Graham</i>  |
| <b>Special report</b>                 | 240 Asthma: a follow up statement from an international paediatric asthma consensus group  |
| <b>Statistics from the inside</b>     | 249 4. Sampling distributions <i>M J R Healy</i>   |
| <b>Looking back</b>                   | 251 Decline and fall of the tubercle bacillus: the Newcastle story 1882-1988 <i>F J W Miller, Mary D Thompson</i>  |
|                                       | 256 Letters to the editor  |
