

ARCHIVES OF DISEASE IN CHILDHOOD

The Journal of the British Paediatric Association

Annotation

Lactoferrin in human milk: its role in iron absorption and protection against enteric infection in the newborn infant
J H Brock

417

One year's study of growth and total hydroxyproline excretion in scoliotic children

S Clark, A Harrison, and P A Zorab

467

Original articles

Improving prognosis for infants weighing 1000 g or less
V Y H Yu and E Hollingsworth

422

Homozygous deficiency of the second component of complement presenting with recurrent bacterial meningitis

Y H Thong, D A Simpson, and H J Müller-Eberhard

471

Pseudohypoadosteronism
M J Dillon, J V Leonard, J M Buckler, D Ogilvie, D Lillystone, J W Honour, and C H L Shackleton

427

A child trisomic for the distal part of chromosome 14q

G Bridgman and L J Butler

474

10 years' experience with regular haemodialysis and renal transplantation
C Chantler, J E Carter, M Bewick, R Counahan, J S Cameron, C S Ogg, D G Williams, and E Winder

435

Short reports

A case of quinine self-poisoning in a boy
P Tayler, A Edelsten, and I A Hughes

478

Treatment of mesangiocapillary glomerulonephritis in children with combined immunosuppression and anticoagulation
S J Chapman, J S Cameron, C Chantler, and D Turner

446

Familial congenital heart block and hydrops fetalis

R W I Cooke, J W Mettau, A W Van Cappelle, and V H de Villeneuve

479

Effect of parental head circumference on that of the newborn child

J Osborne, S Havalad, B Hudson, and A Hughes

480

Severe combined immunodeficiency and adenosine deaminase deficiency: failure of enzyme replacement therapy
J B Ziegler, C H Lee, M B Van der Weyden, A S Bagnara, and J Beveridge

452

α -Thalassaemia and hyperbilirubinaemia in G-6-PD-deficient newborns

T Meloni, R Corti, S Costa, G Mele, and V Franca

482

Antimicrobial activity of colostrum after administering killed *Escherichia coli* O111 vaccine orally to expectant mothers

S Dluholucký, P Sirágy, P Doležel, J Švác, and A Bolgáč

458

Hydroxyprolinaemia with normal development

M J Robinson, I S Menzies, and I Sloan

484

Brucellosis treated with rifampicin
J Llorens-Terol and R M Busquets

486

Growth in height compared with advancement in skeletal maturity in patients treated with human growth hormone

R D G Milner, M A Preece, and J M Tanner

461

European Society for Paediatric Nephrology
