ARCHIVES OF DISEASE IN CHILDHOOD

The Journal of the British Paediatric Association

Annotations

- Infanticide, filicide, and cot death
Emery 505
- Aetiology of idiopathic spinal
deformities *Dickson* 508

Original articles

- Hepatitis syndrome in infancy—an
epidemiological survey with 10 year
follow up *Dick and Mowat* 512
- Ischaemic spinal cord injury after
cardiac surgery *Puntis and Green* 517
- Epidemiology of facial clefting
Owens, Jones, and Harris 521
- Non-natural deaths in two health
districts *Keeling, Golding, and
Millier* 525
- Lymphocyte subset ratios and
factor VIII usage in haemophilia
Beddall, Al-Rubei, Williams, and Hill
With commentary *Lilleyman* 530
- Raynaud's disease *Burns, Dunger,
and Dillon* 537
- Neonatal septicaemia
Vesikari, Janas, Grönroos, et al 542
- Sleep apnoea profile in preterm
infants recovering from respiratory
distress syndrome *Bentele, Albani,
Budde, and Schulte* 547
- Lack of association between
barotrauma and air leak in hyaline
membrane disease *Tarnow-Mordi,
Narang, and Wilkinson* 555
- Behavioural deviance and maternal
depressive symptoms in paediatric
outpatients *Fitzgerald* 560
- Toxic shock syndrome
Buchdahl, Levin, Wilkins, et al 563
- Luteinising hormone releasing
hormone for incomplete descent of
the testis *Klidjian, Swift, and
Johnstone* 568

Short reports

- The diabetic with a diabetic
parent *Kirk and Savage* 572
- Biotinidase deficiency:
presymptomatic treatment *Wallace* 574
- Acute lymphoblastic leukaemia
presenting with raised intracranial
pressure *Russell, Lewis, and
Martin* 575
- Investigation of the 'satisfying'
quality of infant formula milks
Brooke and Wood 577
- Acid base balance in blood and
cerebrospinal fluid
Horovitz, Tal, and Keynan 579
- Raised intracranial pressure not
detected by ultrasound
Pilling and Cudmore 581
- Hepatitis B virus replication in
acute glomerulonephritis with
chronic active hepatitis
Cadrobbi, Bortolotti, Zacchello, et al 583
- Recurrent croup *Hide and Guyer* 585

Current topic

- Screening for congenital
hypothyroidism: the first decade
Barnes 587

Personal view

- Inaccurate coding corrupts medical
information *Sunderland* 593

Correspondence

- 595

Book reviews

- 597
- Categories of babies requiring
neonatal care 599

Instructions to authors

- 601
