

ARCHIVES OF DISEASE IN CHILDHOOD

A monthly journal of paediatrics

Original articles

Genetic aspects of nutritional rickets
S. Doxiadis, C. Angelis, P. Karatzas,
C. Vrettos, and P. Lapatsanis

83

Defective opsonization: a common
immunity deficiency J. F. Soothill and
B. A. M. Harvey

91

Sick sinus syndrome in children
Olive Scott, F. J. Macartney, and P. B.
Deverall

100

Hereditary tyrosinaemia: clinical,
enzymatic, and pathological study of an
infant with the acute form of the disease
N. A. J. Carson, J. D. Biggart, A. H. Bittles,
and D. Donovan

106

Recurrent urinary tract infection in girls:
group with lower tract findings and a
benign course T. R. Welch,
Patricia A. Forbes, K. N. Drummond,
and M. Bernadette Nogrady

114

Chorionic somatomammotrophin as index
of fetal growth D. R. MacMillan,
Ruth Hawkins, and R. N. Collier

120

Phototherapy for hyperbilirubinaemia in
very low birthweight infants
M. W. Moncrieff and Janet Dunn

124

Neonatal screening for haemoglobinopathy:
results in 7691 Manchester newborns
D. I. K. Evans and V. M. Blair

127

Follow-up of children of drug-addicted
mothers H. Sardemann,
Karin Steen Madsen, and B. Friis-Hansen

131

Transient acute myositis in childhood
I. A. McKinlay and I. Mitchell

135

Thoughts on treatment of strawberry
naevi R. S. Illingworth

138

Calcium, magnesium, and glucose levels
in blood and CSF of children with febrile
convulsions N. Rutter and
O. R. C. Smales

141

Two XX males diagnosed in childhood:
endocrine, renal and laboratory findings
B. M. Laurance, Caryl W. Darby, and
M. Vanderschueren-Lodeweyckx

144

Short reports

Relation of urinary total hydroxyproline:
creatinine ratio to height velocity in
children with retarded growth
Susan Edwards, M. Hartog, C. A. Pennock,
and J. Apley

149

Clinical comparison between glucose and
sucrose additions to a basic electrolyte
mixture in the outpatient management of
acute gastroenteritis in children
P. M. Rahilly, R. Shepherd, D. Challis,
J. A. Walker-Smith, and J. Manly

152

Recurrent thrombocytopenic purpura
associated with an accessory spleen
I. M. Hann and J. S. Wainscoat

154

Benign rectal ulceration of unknown origin:
an unusual cause of rectal bleeding
E. R. Howard and W. F. Whimster

156

Referees 1975
