DEC 12 1980 749

Annotations

WEST VIRGINIA UNIVERSITY

Bone marrow transplantation

MEDICAL CENTER LIBRARY

A J Barrett

750

Artificial surfactant therapy for hyaline membrane disease

J S Wigglesworth

753

Original articles

Blood pressure in the first 6 weeks of life

A Earley, P Fayers, S Ng,

E A Shinebourne, and M de Swiet

755

Artificial surfactant and natural surfactant. Comparative study of the effects on premature rabbit lungs

C Morley, B Robertson, B Lachmann, R Nilsson, A Bangham, G Grossmann, and N Miller

758

Effects of chronic illness on intellectual development. A comparison of normal children with those treated for childhood leukaemia and solid tumours

C Eiser

766

Misleading plasma electrolytes in diabetic children with severe hyperlipidaemia

B M Frier, C R Steer, J D Baird, and S Bloomfield

771

Neutrophil function in infection-prone children

L Håkansson, T Foucard, R Hällgren, and P Venge

776

C3, factor B, alpha-1-antitrypsin in neonatal septicaemia with sclerema

B Pelet

782

Erythrocyte transketolase activity in suspected cases of Leigh's disease, or subacute necrotising encephalomyelopathy

A McBurney, D Leigh, and H McIlwain

789

Unreliability of the Mantoux test using I TU PPD in excluding childhood tuberculosis in Papua New Guinea

K Murtagh

795

Sequential study of liver biopsy in thalassaemia

G Masera, G Jean, V Conter, S Terzoli, R A Mauri, and M Cazzaniga

800

Current topics

Dietary fibre in under- and overnutrition in childhood

D Burkitt, D Morley, and A Walker

803

Short reports

Endotoxin in meningococcal infections

H R Tubbs

808

D-lactic acidosis in a boy with short bowel syndrome

E P Schoorel, M A H Giesberts, W Blom, and H H van Gelderen

810

Hypoproteinaemia, oedema, and anaemia: an unusual presentation of cystic fibrosis in dizygotic twins

I Blumenthal and D W Fielding

812

Porencephalic cysts after amniocentesis

S Youroukos, F Papadelis, and N Matsaniotis

814

Gluteal skin necrosis after umbilical artery catheterisation

N P Mann

815

Barrier properties of vernix caseosa

V M Joglekar

817
