

ARCHIVES OF DISEASE IN CHILDHOOD

The Journal of the British Paediatric Association

Annotations

Liver transplantation—a role for all paediatricians *Mowat* 325

Erythema neonatorum toxicum *Berg and Solomon* 327

Original articles

Cytomegalovirus infection in day nurseries *Nelson, Peckham, Pearl, et al* 329

Prediction and management of nocturnal hypoglycaemia in diabetes *Whincup and Milner* 333

Parental smoking, breast feeding, and respiratory infection in development of allergic diseases *Cogswell, Mitchell, and Alexander* 338

Prodromal features of asthma *Beer, Laver, Karpuch, et al* 345

Influence of antacid and formulation on effectiveness of pancreatic enzyme supplementation in cystic fibrosis *Braggion, Borgo, Faggionato, et al* 349

Serum IgG antibodies in patients with cystic fibrosis with early *Pseudomonas aeruginosa* infection *Brett, Ghoneim, and Littlewood* 357

Plasma α fetoprotein reference ranges in infancy: effect of prematurity *Blair, Carachi, Gupta, et al* 362

Screening for late neonatal vitamin K deficiency by acarboxyprothrombin in dried blood spots *Motohara, Endo, and Matsuda* 370

A simple method of face mask resuscitation at birth *Hoskyns, Milner, and Hopkin* 376

Trends in birth prevalence of cerebral palsy *Pharoah, Cooke, Rosenbloom, et al* 379

Central nervous system dysfunction and erythrocyte guanosine triphosphate in purine nucleoside phosphorylase deficiency *Simmonds, Fairbanks, Morris, et al* 385

Comparison in use of health services between a deprived and an endowed community *Marsh and Channing* 392

Ipratropium bromide and airways function in wheezy infants *Prendiville, Green, and Silverman* 397

Local production of rotavirus specific IgA in breast tissue and transfer to neonates *Rahman, Yamauchi, Hanada, et al* 401

Short reports

Oral candida: is dummy carriage the culprit? *Sio, Minwalla, George, et al* 406

Mechanism of erroneous Dextrostix readings *Togari, Oda, and Wada* 408

Chromosomes of metastatic retinoblastoma *Daly, Davison, Pearson, et al* 410

Nedocromil sodium and exercise induced asthma *Chudry, Correa, and Silverman* 412

Management of asthma in schools *Hill, Britton, and Tattersfield* 414

Serological evidence of herpes simplex virus infection in atopic eczema *David, Richmond, and Bailey* 416

Carbon monoxide concentrations in infant deaths *Variend and Forrest* 417

Group B streptococcal infection presenting as sudden death in infancy *Barnham and Henderson* 419

Personal practice

Management of urinary tract infection *White* 421

Current topic

Violence and children *Gray* 428
