### NOTICE TO SUBSCRIBERS.

Subscriptions are payable to the Financial Secretary of the British Medical Association who has charge of all financial matters concerning the ARCHIVES OF DISEASE IN CHILDHOOD. Address: British Medical Association House, Tavistock Square, London, W.C. 1.

### NOTICE TO CONTRIBUTORS.

All papers submitted for publication should be sent to Dr. Alan Moncrieff, 121, Harley Street, W. 1. All other editorial matters should be referred to Dr. Charles Harris, 31, Weymouth Street, W. 1.

Papers sent for publication should be typewritten. Illustrations will usually be inserted in the text itself, and care should be taken that the text is marked to show the desired position of each illustration. References must be arranged to read as follows:—

Author's Name, Initials, Title of Periodical or Book, Place of Publication, Year, Volume Number (Roman figures), Page Number (Arabic figures).

Charts and curves accompanying papers should be carefully drawn on tracing linen. Any lettering on these drawings should be lightly inserted in pencil.

Contributors will receive one proof in page, but it is assumed that all but verbal corrections have been made in the original manuscript; an allowance at the rate of ten shillings per sheet of sixteen pages is made for alterations in the proof (printer's errors excepted), and contributors will be responsible for any excess.

Contributors will be supplied with reprints of their articles at cost price if application is made when returning proofs. An estimate of costs will be given if desired on application to the Financial Manager of the British Medical Association.

Papers which have been published become the property of the ARCHIVES and permission to republish must be obtained from the Editors.
