NOTICE TO CONTRIBUTORS

Papers for publication should be sent to the Editors, Archives of Disease in Childhood, B.M.A. House, Tavistock Square, London W.C.1. Submission of a paper will be held to imply that it contains original work which has not been previously published. Permission to republish must be obtained from the Editors.

Papers should be typewritten top copies in double spacing and should have been carefully revised; alterations in proof apart from printers' errors are not permissible. Illustrations should be kept to a minimum. Photographs and photomicrographs should be submitted unmounted. Drawings and diagrams should be drawn boldly in black ink on stout white paper; any necessary lettering may be lightly inserted in pencil.

One galley proof will be sent to the author submitting the paper; fifty reprints are supplied free; further reprints may be ordered when the proof is returned.

Current numbers of the *Archives of Disease in Childhood* should be consulted for information concerning standard abbreviations, etc. In reference to papers in the text the year of publication in parenthesis should follow the author's name. References at the end of the text should be in alphabetical order of author's names, and titles of journals should be abbreviated according to *World Medical Periodicals* (3rd ed. 1961, B.M.A.). **Titles of articles should be included; if this is not done papers will be returned to their authors for completion.** Book titles should be followed by the place of publication.

Failure to observe the above directions will lead to delay in publication.
