

ARCHIVES OF DISEASE IN CHILDHOOD

The Journal of the British Paediatric Association

Annotations

Doctors and nurses in neonatal intensive care: towards integration *Chiswick and Robertson* 653

Is your grommet really necessary? *Maw* 656

Original Articles

Should we screen for congenital adrenal hyperplasia? A review of 117 cases *Virdi, Rayner, Rudd, et al* 659

Endotracheal resuscitation of preterm infants at birth *Hoskyns, Milner, Boon, et al* 663

Plasma atrial natriuretic peptide and spontaneous diuresis in sick neonates *Kojima, Hirata, Fukuda, et al* 667

Correlation of specific gravity and osmolality of urine in neonates and adults *Leech and Penney* 671

Comparison of intranasal and oral desmopressin for nocturnal enuresis *Fjellestad-Paulsen, Wille, and Harris* 674

Five year prospective study of plasma renin activity and blood pressure in patients with longstanding reflux nephropathy *Savage, Koh, Shah, et al* 678

Adrenal cortical tumours: epidemiological and familial aspects *Hartley, Birch, Marsden, et al* 683

Nosocomial hepatitis A infection in a paediatric intensive care unit *Drusin, Sohmer, Groshen, et al* 690

Purulent pericarditis *Sinzobahamvya and Ikeogu* 696

Sudden and unexpected death between 1 and 5 years *Southall, Stebbens, and Shinebourne* 700

Compliance with gluten free diet in coeliac disease *Colaco, Egan-Mitchell, Stevens, et al* 706

Ethnic differences in incidence of very low birthweight and neonatal deaths among normally formed infants *Terry, Condie, Bissenden, et al* 709

Severe pre-eclampsia and infants of very low birth weight *Szymonowicz and Yu* 712

Epidemiology of facial clefts *Womersley and Stone* 717

Cardiorespiratory patterns in siblings of babies with sudden infant death syndrome *Southall, Alexander, Stebbens, et al* 721

Short reports

Duration of antibiotic courses for neonates *Isaacs, Wilkinson, and Moxon* 727

Oral mannitol in control of fluid balance *Poulton and Winterborn* 729

Brain stem glioma presenting as gastro-oesophageal reflux *Mahony, Kennedy, Leaf, et al* 731

Prognosis in Guillain-Barré syndrome *Briscoe, McMenamin, and O'Donohoe* 733

Aetiology of growth hormone deficiency *Herber and Kay* 735

Neonatal lupus erythematosus, late onset hypocalcaemia, and recurrent seizures *Moudgil, Kishore, and Srivastava* 736

Multiple thromboses in systemic lupus erythematosus *Appan, Boey, and Lim* 739

Swivel walkers in Duchenne muscular dystrophy *Sibert, Williams, Burkinshaw, et al* 741

T activation and haemolysis after blood transfusion *Placzek and Gorst* 743

Annual statistical review *Pharoah and Alberman* 745

Personal practice

Guidance for divorcing parents *Caplan* 752

Current topic

Vaccination and cot deaths in perspective *Roberts* 754

Correspondence 760

Book reviews 764
