# ARCHIVES OF DISEASE IN CHILDHOOD

*The Journal of the British Paediatric Association*

- |                          |  |
|--------------------------|--|
| <b>Annotations</b>       | 565 Maternal employment <i>P J Graham</i>  |
|                          | 567 Head retraction and respiratory disorders in infancy <i>P Chidiac, I S Alexander</i>   |
|                          | 568 Craniosynostosis and the paediatrician <i>R Hayward</i>  |
| <b>Original articles</b> | 569 Respiratory sequelae and lung function after whooping cough in infancy <i>I Krantz, J Bjure, I Claesson, et al</i>                             |
|                          | 574 Non-invasive assessment of intraluminal lipolysis using a $^{13}\text{CO}_2$ breath test <i>M S Murphy, E J Eastham, R Nelson, et al</i>       |
|                          | 579 Admission to hospital with gastroenteritis <i>S P Conway, R R Phillips, S Panday</i>   |
|                          | 585 Small intestinal permeability and oro-caecal transit time in cystic fibrosis <i>A M Dalzell, N S Freestone, D Billington, et al</i>            |
|                          | 589 Excessive faecal losses of vitamin A (retinol) in cystic fibrosis <i>F Ahmed, J Ellis, J Murphy, et al</i>                                     |
|                          | 594 Two enteric coated microspheres in cystic fibrosis <i>J Williams, A MacDonald, P H Weller, et al</i>   |
|                          | 598 Paradoxical approach to the management of faecal incontinence in normal children<br><i>B Knights, S K Pandey</i><br>Commentary <i>K Asen</i>   |
|                          | 602 Birthweight specific trends in cerebral palsy <i>P O D Pharoah, T Cooke, R W I Cooke, et al</i>  |
|                          | 607 International trends in postneonatal mortality <i>E A Mitchell</i>   |
|                          | 610 Microcytosis, iron deficiency, and thalassaemia in preschool children <i>A Earley, H B Valman, D G Altman, et al</i>                           |
|                          | 615 Determinants of nocturnal enuresis in homozygous sickle cell disease <i>D R J Readett, J Morris, G R Serjeant</i>                              |
|                          | 619 Long term follow up after inhalation of foreign bodies <i>H Davies, I Gordon, D J Matthew, et al</i>   |
|                          | 622 What do school teachers know about asthma? <i>M Bevis, B Taylor</i>  |
|                          | 626 Self hypnotherapeutic treatment of habitual reflex vomiting <i>B S Sokel, S P Devane, A Bentovim, et al</i>                                    |
|                          | 627 Glucose polymer regimens and hypernatraemia <i>I G Verber, M Bain</i>  |
|                          | 628 Correction of hypernatraemia with continuous arteriovenous haemodiafiltration <i>G D Moss, R J Primavesi, M E McGraw, et al</i>                |
|                          | 630 Cardiopulmonary bypass for resection of low tracheal haemangioma <i>R Franks, M Rothera</i>  |
|                          | 632 Caesarean section and duration of breast feeding among Brazilians <i>C G Victora, S R A Hutty, F C Barros, et al</i>                           |
| <b>Current problems</b>  | 635 Children's services in the new NHS—a struggle for survival? <i>W J Appleyard</i>   |
| <b>Current topic</b>     | 638 Childhood cancer: cure at what cost? <i>P H Morris-Jones, A W Craft</i>  |
| <b>Personal practice</b> | 641 Palliative care for children with cancer – home, hospital, or hospice? <i>A Goldman, S Beardsmore, J Hunt</i>                                  |
| <b>Medical education</b> | 644 Postgraduate training in Europe for the next decade <i>Organising Committee for the Workshop on Postgraduate Paediatric Training in Europe</i> |
|                          | 646 <b>Letters to the editor</b>   |
|                          | 648 <b>Instructions to authors</b>   |
