25	...	...	2/9
100	...	...	8/6

Adexolin liquid presents vitamins A and D in the proportions that are natural to high grade cod-liver oil but in almost tasteless and inodorous form. The potency of Adexolin liquid is calculated to permit of the greatest flexibility of dosage.

# OSTOMALT

½-lb jars now 1/9 (formerly 2/6)

1-lb jars now 3/- (formerly 4/-)

7-lb jars now 17/- (formerly 21/-)

The new prices of Ostomalt make this family vitamin tonic more economical than ever. Its high concentration has always meant small dosage—Ostomalt is three times as potent in vitamins A and D as Extract of Malt with Cod-Liver Oil B.P.C., and contains concentrated orange juice providing the palatable flavour and a guaranteed source of vitamin C. Ostomalt presents all four vitamins in a potent, pleasant and accurately standardised form eminently suited for old and young alike. It is widely prescribed in anorexia, debility, malnutrition and convalescence and as a general tonic and nourishment.
