

What's the story?

Illustrations, not run, but still fun!

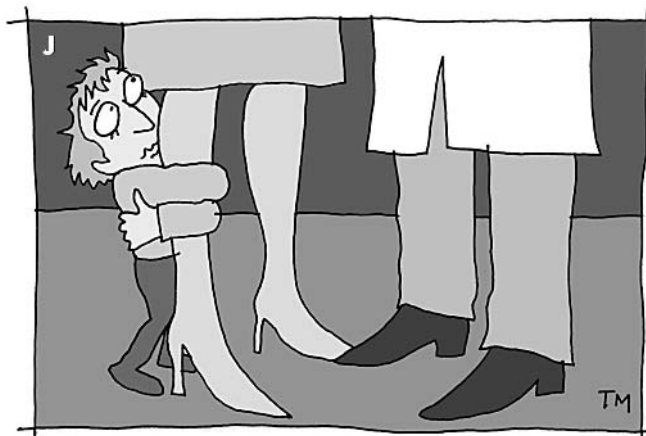

No, love, not to worry ...
your 'mast' is fine ... "

asthma
"dear diary -
don't tell anyone -
my peak flow was 350!"

Age appropriate tools...

We have commissioned a number of illustrations this year that were not published alongside the relevant article. Can you match each illustration to its original article?

We will donate £100 to the charity of choice of the first respondent who matches them all correctly. Email your response stating your designated charity to ArchDisChild@BMJGroup.com.
